

Lamppost Poppies for RBL 100

The Royal British Legion commemorates its Centenary on 15th May this year. This is an anniversary we hold dear in West Cheshire particularly as the Legion was started locally in Birkenhead.

The Legion was formed to support servicemen and women, ex-serving personnel and their families. In 2021, The Royal British Legion is still supporting those who serve through the Funds raised with its well-loved Poppy Appeal.

Lamppost Poppies

As you will soon be opening up, you may be looking at ways that you can be involved in the community projects.

Lamppost Poppies are a great way for you to achieve this as you can sponsor your own Poppy (suggested donation of £5) to put up outside your shop or business and your support for RBL on the Centenary.

The Poppy is durable enough to be taken down and reused for the Poppy Appeal, but flexible enough not to compromise the strength of the structure they are attached to – you will just need to replace the Cable Ties. You will also get a small sign to show your support for the appeal and a certificate of support for RBL100.

It would be wonderful to see a crop of bright Poppies down your local high street to mark RBL100!
